Re: March Recap

Date: April 15, 2021

It has been a busy start to the year. A lot of new faces have been coming out. The course has been in great shape so far this season. We have our leagues starting to get going here in the future. Ladies league started today. Monday night league starts April 19 with 12 teams. Tuesday night league starts May 11 with 8 teams. Wednesday night league starts May 5 with 14 teams. Our first tournament will be May 1st. We changed the event to a one day tournament with just have one day here. The last time we had the McMahon Schamble it was on Brookhill and Willow.
